Daily Camp Operations

Checking your child in and out of care:

Drop-off and pick-up times/locations for all camps is noted in their *Play Cherokee* brochure and email is sent prior to camp. Children must be signed into and out of camp each day. Parents/guardians have indicated via the registration process who is authorized to pick up their children. Camps will have your child's authorized pick-up list and will check ID's for accuracy, prior to any camper being released for check out.

Late Pick-Up Fee:

CRPA reserves the right to charge a late pick up fee, which is assessed beginning at 1 minute past the pick-up time. The fee is \$10.00 for every 15 minutes (per child) that a child is left at camp. Payment is due upon arrival. If payment is not received, the child cannot attend the program until payment is made in full. If camp staff have not been contacted by the parents about a late pick up, the police will be notified after 30 minutes of the pick-up time. When the police arrive, the participant(s) will be turned over to their custody.

Parent/Staff Communications & Involvement:

It is important for parents and camp staff to maintain open communication at all times. Please keep staff informed of any changes in your child's life that may affect him/her. Please let us know if your child has any special needs or accommodations as well.

The various camps utilize different ways to communicate with parents (i.e. Weekly Newsletters, emails, calendars, boards at drop off/pick up, etc.). It is your responsibility to completely read the communication that is sent to you.

Special Needs:

We know that every child is special, however some children may require extra attention in order for us to fully meet their needs. It is important that you, the parent/guardian, inform us of any special needs your child may have so we can ensure the camp experience is a success for every child.

- TRue-An assessment is required to be completed before registration, please contact the Therapeutic Recreation Coordinator.

Camper Attire:

Clothing should be appropriate for the weather conditions and activities planned for each day. Please remember to label all of your camper's belongings in permanent ink.

What to bring to camp:

We suggest you send your child's belongings CLEARLY labeled with his/her name and phone number. **The program is not responsible for any lost, stolen or damaged items, INCLUDING MONEY.**

Each camp will have its own requirements for what to bring. Typically, that would include:

- A packed lunch with a drink (please do not send perishable items unless it is in an insulated lunch box or microwaveable meals)
- 2 snacks plus drinks daily
- Refillable water bottle
- Sunscreen
- Extra change of clothes; including socks, under garments, etc.

Staff will not accept any money from parents for the purpose of buying lunch for a child nor will they hold money for a child.

What to leave at home:

Please make every effort to ensure that your child is not bringing any electronics to camps. Toys are fine for quiet time and free play, as long as they do not become disruptive. NO ELECTRONICS (including cell phones) are allowed at camp. Cell phones will be confiscated and returned to a parent end of day. This protects your child as well as other children and the staff.

- TRue- If your child has a communication device or devices needed for daily activities please let the Therapeutic Recreation Coordinator know in advance.

The First Day:

The Monday of each camp is very important to camp operations. You want to make sure your child is at camp each Monday. This is when we will take roll, introduce staff, and go over the rules and activities for the week. It is important that every camper attends the first day so that he/she will be familiar with the program. If you are unable to attend the first day, please notify the Coordinator in charge of the program.

Safety

Staying Hydrated

Parents are encouraged to only send water bottles or sports drinks with their children during camp. All camp locations, including field trips, have access to drinking water.

Sunscreen:

Staff takes every precaution in keeping your camper from receiving a sunburn. Please send sunscreen with your camper every day. The staff will make sure campers have sunscreen on when they go outside. The staff can only apply sunscreen with written permission from the parents (agreed upon during registration). Camp only has a small supply of sunscreen in stock, used as a backup for when a camper forgets their sunscreen at home. Please apply sunscreen in the mornings and we will ask your camper to reapply in the afternoons.

Visitors at Camp:

No visitors are allowed at camp or on field trip locations. No exceptions! This is for the safety, privacy, and protection of all campers.

Lost Child:

Campers going on field trips during camps are provided with a wrist band including our agency name, Cherokee Recreation & Parks and the Recreation Center's phone number 770-924-7768.

Parents are encouraged to educate their children that if lost, to please inform an adult employee of the field trip location and remain with that person until found.

In the event a camper is missing for more than 30 minutes, a parent will be notified. Summer staff train on policies and procedures for lost children situations prior to camp.

Medication:

CRPA requires written permission from the camper's parent or guardian authorizing staff to administer any type of medication (prescription or over the counter). Prescription medicine must be in its original bottle with the camper's name and dose clearly indicated. Over-the-counter medication must be in its original container and marked with the camper's name. A Medication Authorization Form must be filled out each week the campers attend camp and all medication should be sent home each night. A medicine administration log will be filled out by a staffer each time the medicine is given to a camper.

Playgrounds:

All CRPA playgrounds utilized by camps are inspected and maintained by a Certified Playground Safety Inspector (CPSI).

Severe Weather:

Cherokee County utilizes the Code Red weather alert system. When severe weather arises and alerts are sent, camp staff will move campers to the safest, interior location at that particular campsite. When on field trips, camp staff will follow the procedures of that location.

Injuries:

Whenever an injury requires attention beyond minor first aid, a phone call will be placed immediately to the parent. Staff will make every attempt to notify the parent, at work or through an emergency contact, before seeking necessary treatment at the doctors/hospital. Parental release for camp staff to act in an emergency situation is indicated during the registration process. Parents/guardians are responsible for providing medical insurance covering injuries for participation in any CRPA program.

Illness:

A child's health is a matter of major importance to all of us. If a child becomes ill during the day, parents will be called and asked to pick up the child. If your child goes home with a fever of 100.4 or higher, they cannot return to camp until they are fever free for at least 24 hours. You still have to pay for those days.

For major life-threatening injuries or accidents, the camp procedure is the following:

- ◆ 911 will be called immediately
- ◆ The parent/guardian will be called
- ◆ Based on the professional decision of the EMT unit, the child may be transported to the closest medical facility for immediate care.

Camp Activities

Activities Offered:

During the various camps children may participate in a variety of activities including, but not limited to sports, organized indoor gym games, organized outdoor games, playground time, special events, field trips, fishing/outdoor activities, etc.

Movies:

Movie time is permitted during certain camps. Staff will monitor the viewing directly and if at any time it becomes inappropriate, staff will no longer allow the children to watch the program. CRPA only shows G and PG rated movies.

Outside Play:

Children will spend significant time outside during camps when weather conditions are appropriate. Shaded areas are provided at all camp and field trip locations.

Water Activities:

During registration parents are asked if their children can swim or not swim, please answer the question honestly. It is a parent's responsibility to notify camp staff of any concerns of your child being in/around water. Pools/Water Parks utilized during camp provide employed, certified Lifeguards, and life jackets at certain field trips. Staff supervision encompass both some staff inside the water and some out.

Meals and Snacks

Parent Responsibility:

Unless provided during a field trip, campers MUST bring their own lunch, drinks, and 2 snacks each day. Please provide a water or sports drinks only. A re-fillable water bottle is recommended.

Please Remember:

We do not have access to a refrigerator, freezer, or a microwave. Please plan and prepare your child's lunch accordingly so his/her food does not spoil. We recommend that you use an insulated lunchbox to keep the food from spoiling. We do not allow parents to bring fast food during the lunch hour!

CRPA Provided Food/Snacks:

At times campers will be provided meals or snacks as a part of the program. All ingredients/meals/snacks are either purchased from a grocery store or restaurant/food cart.

Behavior Management & Discipline

With prior knowledge, via the registration process, parents and children are made aware of the basic guidelines of safety and good conduct. Regardless of the situation, each camper is accountable for his/her own actions. As in any group activity, the inappropriate behavior of a few campers can spoil the experience for the entire group. Therefore, the following basic guidelines apply directly to each child and will be used in determining his/her eligibility to continue as a camp participant:

- 1) Campers must stay within the designated camp area. At no time should they leave the group without a staff person.
- 2) Campers will not be allowed to use foul language, be repeatedly rude, or discourteous to staff or peers.
- 3) Campers will respect their property, as well as the property of others
 - Destruction and defacing of the camp's facilities or facilities that the camps will be visiting on field trip is not tolerated. Stealing will also not be tolerated.

- 4) Parents will be financially responsible for any destruction/defacing to the facility by their child.
- 5) Engaging in any type of fighting will not be permitted. Any behavior that jeopardizes the safety of other children or staff will not be tolerated. (I.e. throwing objects, pushing, hitting, biting, threatening violence, etc.)
- 6) Campers will be expected to listen, respect, and follow directions given to them by staff.
- 7) Campers must be able to keep their hands to themselves and not violate another person's personal space.
- 8) Absolutely NO drugs or drug related activity/clothing or any item intended for use as a weapon will be allowed.
- 9) Absolutely NO cell phones, tablets, walkie-talkies, Game Boys or other electronic games or gadgets will be allowed at camp! If found, they will be taken up and given to the parent at the end of the day. TRue Friends camp has an exception to this policy.

Discipline:

In order to provide a FUN and SAFE environment for your child while participating in the camp program, the following discipline procedures have been established:

*When unacceptable behavior occurs, the camper will receive

- STEP 1: Verbal Warning
- STEP 2: "Break" system will be used. A staff member will explain to the child why he/she is being placed on a break from the current activity. Length of break will be determined by the severity of the incident and will not exceed the child's age.
- STEP 3: A written Conduct Report will be presented to the parent and child, explaining the unacceptable behavior.
- STEP 4: A second Conduct Report will be issued
- STEP 5: A third Conduct Report will result in an immediate expulsion. If a child is expelled from camp, he/she can't return for one full year.

*When physical confrontation occurs including, but not limited to kicking, punching, hitting, spitting, etc. the child will receive a written conduct report that can result in immediate expulsion; which they cannot return to camp for one year.

When discipline problems arise, our staff will contact the parent or guardian during or immediately following the program. Our goal is to provide a quality program for all participants.

***CRPA reserves the right for immediate dismissal of any child.**

Transportation

Vehicles:

All campers are transported during field trips in either Cherokee County Board of Education school buses or Cherokee County Parks and Recreation buses/vans. In the event that a vehicle is not available because of malfunction, CRPA reserves the right to cancel the scheduled field trips.

Drivers:

Drivers must maintain a valid driver's license for the vehicle they are driving. All drivers are background checked and have passed their respective agencies requirements for operating an agency vehicle.

Seatbelts:

Seatbelts are required for all campers in vehicles with belts provided.

Camper Headcounts:

Before departure from camp or a field trip location, camp staff will perform a headcount before entering the vehicle and before departing.

Staffing Information

Counselor: Camper Ratios:

The ratios for CRPA camps vary depending on the ages of campers, activities included, and group set-up. Ratio questions can be directed to the Coordinator of each camp. All camp ratios meet the recommendations of the GA Department of Early Care and Learning. Please see Appendix A for specific ratios for KAOS and Adventures Express.

Requirements for Staff:

Our staff is chosen carefully to ensure the participants will have a fun, safe and memorable experience during the program. We hire individuals that have experience in education, babysitting, and/or recreation and who have a sincere interest in the welfare of the children. All camp staff are certified in CPR/First Aid/AED prior to the start of camp. All staff are background checked and drug tested prior to employment.

Mandated Reporting of Child Abuse

Who Can Report?

Employees and volunteers in a public organization providing recreational programs to children who have reasonable cause to believe that a child has been abused are required by Georgia state law to report or cause reports of that abuse be made to the proper authorities.
