

Hi, I'm Allie and I'm so excited to be working with the pelicans! I began swimming when I was nine years old with a summer league team in Suwanee, where I'm from, and have loved swimming ever since. I held multiple team records for my first summer league team and in 2013, I had the privilege of swimming with the Gwinnett County state team. From there, I competed at the state championship in Breaststroke and Freestyle. During my high school career, I swam with North Gwinnett High School Swim and Dive, as well as the Cumming, GA Chattahoochee Gold team. I now attend Kennesaw State University for Communications and have continued swimming with the KSU Club Swim team, where I have made some of my best friends and most fun memories. Looking forward to seeing what this season has to offer!
